## Combined Conference Update

The Chairpersons from the three respective organizations, Penny Brooksher (OCA), Margaret Johnson (OCP), and Karen White (NABCJ) have met on several occasions and have set a date of October 20 for the one-day symposium. The symposium will be held at the Biltmore in

Oklahoma City. "All About You", the theme of this years training symposium will focus on you. Tentative plans include workshops, a working lunch with a motivational speaker, and awards ceremony. Ongoing discussions are being held with the Oklahoma Correctional Employee Memorial Foun-

dation and representatives of the Department of Corrections Employee Awards Banquet in an effort to bring these events back to the membership and departmental employees without undo hardship on any organization. Watch for further details; we will keep you posted!

## Since Last Time.....

Scholarship Money Available from 2009—specifically earmarked scholarship money was donated to the Association last year. No applications were received by the deadline and the scholarship funds were not awarded. The Board has chosen to open the application process and award the scholarship from 2009 prior to

it's Awards Luncheon. Watch the web-site for further details.

OCA is sponsoring 5 youth at the J.H. Bowman Annual Youth/Life Skills Training Camp in July. The camp is held at Lake Eufaula and focuses on children ages 12-17 whose parents are deployed, are considered at-risk, are

from broken homes, and parent(s) who are incarcerated.

OCA donated funds to the American Red Cross—Local Disaster Relief Fund in assistance for the May tornadoes and June flooding.
